

**Canadian National Railways  
Historical Association**

*Founded 1989*

**Welcomes You!**

**Benefits of Membership**

CN LINES magazine is published by our CNR Historical Association twice each year containing a great variety of articles, historical and contemporary. Your dues cover four issues and are not based on calendar years.

Topics covered in our magazine include steam and diesel locomotives, freight and passenger cars, railway structures, drawings and charts, operational information, railway history and personal experiences from CN people past and present. There are also model train hobby announcements, new books, and occasionally a question and answer page, model building tips and examples. Current issues are 48 pages, with colour pictures throughout, a professional layout and coated paper for better quality reproduction. The magazine contains no advertising.

All back issues are available, either as originals or excellent quality photocopies. A brochure listing the contents of each issue and indicating which are originals is available on request or can be found on our website.

In addition to the magazine, the CNRHA produces correct CNR, CN Rail, CPR, VIA, and BCR model paints by Scalecoat I in 24 well-researched, historically accurate colours and HO brass steam engine cab numerals and number plates. These products are available at hobby shops that carry our magazine. Contact us if you need information on dealer location.

Our website is **www.cnlines.ca** and our news discussion group called CNLines-CNet is located on yahoo.com.

Fill out the form, include payment and join the Canadian National Railways Historical Association.

If you wish to use Paypal or Interac to join our email address for transferring dues is
